RE: Student Accident Excess Coverage Information

Dear Parent/Guardians:

St. George CCSD No. 258 is an eligible member of the Illinois School District Agency (“ISDA”). Student Accident Excess Coverage will be provided for the 2016-2017 school year for each enrolled K-8 Student at no cost to you. No enrollment is necessary for the school time Student Accident Coverage. This coverage is supplemental to your primary health insurance. Additional information regarding the Student Accident Coverage can be obtained by requesting a brochure from the District. A Student Accident Coverage identification card is included in the brochure. Please carry it with you. An electronic version of the brochure and claim kit is available at [www.wcsit-isda.com/student-accident](http://www.wcsit-isda.com/student-accident). If you need to seek medical attention for your student’s school related injury, the card should be presented to medical/dental providers along with your primary insurance ID card (if applicable).

If you need to file a claim, you must complete a Student Accident Claim Form. Please read the Claim Form for instructions on how to submit a claim. The school district and medical/dental providers are not responsible for filing a student accident claim. Please note that all claims must be reported within 90 days of the date of the injury. Claims not reported within the guidelines will be denied coverage.

**Please note that this coverage is accident coverage only, and will not replace your primary health insurance. The Student Accident Coverage plan is designed to pay for expenses which are not reimbursed by your primary health insurance, any other plan of coverage or any other benefit. As a result, you must file a claim with your own health insurance carrier first.**

We are pleased to be able to offer this benefit for the 2016-2017 plan year. If you have any questions about this program, please call the District Office at 815-802-3102.

Sincerely,

Helen Boehrsen  
Superintendent
